Dear Customer,

Congratulations and thank you for choosing our Outdoor Kitchen.

To avoid the risks it is important that the Outdoor Kitchen and BBQs are both installed correctly and that you read the safety instructions carefully of this Kitchen and the BBQ to be installed to avoid misuse and hazards.

We recommend that you keep this instruction booklet for future reference and pass it on to any future owners.

After unpacking the Outdoor Kitchen, please check it is not damaged. If in doubt, do not assemble the kitchen but contact your local customer care centre.
